O R D E R

On April 12, 2002, Crown Communication, Inc. and Kentucky CGSA, LLC d/b/a Cingular Wireless -- Lexington/Louisville (collectively Applicants) filed a uniform application with the Commission requesting a Certificate of Public Convenience and Necessity to construct and operate a wireless telecommunications facility at 209 LaGrange Road, Pewee Valley, Kentucky 40056. The application was rejected by the local planning and zoning unit and the matter is now before the Commission for further proceedings and decision.

A Petition to Intervene was filed by Honorable Kyle T. Hubbard for and on behalf of his clients, Mr. and Mrs. Calvin Arave, Mr. and Mrs. Walter Hayes, Michele Pisano, Mr. and Mrs. Ken Hayes, Walter Nussbaum, Beverly Burger, and Mr. and Mrs. Del Thacker. By separate motions, the City Council of the city of Pewee Valley,

Kentucky and The City of Pewee Valley, Kentucky (as a municipal corporation) requested intervention herein by and through its City Attorney, Honorable John Frith Stewart. By separate written request and acting in his individual capacity, Stewart H. Porter has requested full intervention. The Commission finds that such interventions are likely to present issues and develop facts that will assist the Commission in fully considering the matter without unduly complicating or disrupting the proceedings. Accordingly, the written requests, petition, and motions for full intervention should be granted. As a collective group, they shall be known as Intervenors.

IT IS THEREFORE ORDERED that:

1. The status of full intervention is granted to the parties named above.
2. The Intervenors shall be entitled to the full rights of a party and shall be served with the Commission's Orders and filed testimony, exhibits, pleadings, correspondence, and all other documents submitted by the parties after the date of this Order.
3. Should any Intervenor(s) file documents of any kind with the Commission in the course of these proceedings, a copy of said documents shall be served on all other parties of record.
4. An informal conference is scheduled to be conducted on September 23, 2002 at 1:30 p.m., Eastern Daylight Time, in Conference Room 1 of the Commission's offices at 211 Sower Boulevard, Frankfort, Kentucky. At the conference the parties shall discuss the issues in this matter, including discovery, and the scheduling of further proceedings.

Done at Frankfort, Kentucky, this 13th day of September, 2002.
